

Bishop Brady High School

New Hampshire

THE SCHOOL

Established in 1963, Bishop Brady is located in a residential neighborhood providing a close community atmosphere, yet welcomes students from throughout the region. Expansions include a multi-media center bringing technology to all aspects of the school curriculum. It is a college preparatory program offering multiple levels in each academic genre to meet the needs of every student. The Bishop Brady Math Team are recognized as the 2013 State Champions.

THE COMMUNITY

Concord is close to the resort areas in the mountains and lake regions. A city with a thriving downtown and home to several festivals throughout the year. Surrounded by New England towns with access to both city and rural activities. The Capitol Centre for the Arts welcomes significant performances offering cultural diversity. The McAuliffe-Shephard Discovery Center, NH Audubon Center, Granite State Candy Shoppe and The League of NH Craftsmen all add to the fabric of the community.
