

Butte Central Catholic High School

Montana

THE SCHOOL

Butte Central Schools have a history of more than 100 years. The campus includes 2 computer labs, and 385 seat auditorium, and weight room. The Maroons Activities Center is a newly built athletic facility. Students may also access facilities at Montana Tech of the University of Montana. The primary purpose of Butte Central Catholic is to develop intellectual experience within a safe community environment. The course of study at Butte Central Catholic High School is designed to provide an education that is both Christian and humanistic in its scope.
