

# Crean Lutheran High School

## California

### THE SCHOOL

Crean Lutheran opened its doors in 2007 as a wireless campus and laptop school. Crean Lutheran has a collaboration with Irvine Valley College offering courses taught by college professors, and with Concordia University for project based learning. The Crean Lutheran campus includes many recently updated athletic facilities for football, tennis, baseball, softball and Track and Field. The Event Center features space for music and theater.

### THE COMMUNITY

Orange County is home to Disneyland, Knott's Berry Farm, Palm Desert and 40 miles of beaches. The city of Irvine, located near these resort areas, is also a beautiful location with neighborhoods, known as villages. The city has received many awards from respected publications and is home to many universities. 44.5 miles of bicycle trails and dozens of neighborhood parks throughout the city. Often a city used in the making of Hollywood films.
