

Northland Lutheran High School

Wisconsin

THE SCHOOL

Northland Lutheran High School is a small school with a family atmosphere of students and teachers. The school has a rich history of welcoming students from around the world for over 35 years. Our school is nestled in a quiet suburban area surrounded by beautiful woods and wildlife. Our campus includes a 7 acre forest.

THE COMMUNITY

Kronenwetter, surrounded by woods, lakes, and rivers, and hills. Sharing more than just the Wisconsin River, seven communities have combined their individual resources and personalities to evolve into a vibrant, thriving community. The metro area, just miles away, offers a wide range of activities and opportunities.

ACADEMICS SUBJECTS OFFERED

Dual Credit College Courses from Northcentral Technical College: Marketing, Accounting, and Pre-Calculus, AP testing is available in Calculus, and English Lit/Lang for college credit. Additional courses offered via on-line learning. Art courses include Drawing, Painting, Commercial Art, Art History and 3D Art. Business Communications and several Health and Fitness Courses are also offered.
