

# Sacred Heart High School

## Massachusetts

### THE SCHOOL

Sacred Heart High School is centrally located on a 25 acre country campus. Included are a Health and Fitness Center, Student Activity Center with Art Studio, an 18 acre athletic field facility, and its own recently renovated Observatory with a Mead LS 200 telescope and seating for small class groups. The school has been nationally recognized for the Speech and Debate club and has an award winning school newspaper. There are new science and innovation centres with updated labs.

### THE COMMUNITY

Kingston is a coastal, suburban community 40 miles south of Boston and borders historic Plymouth. Once a known for its shipyards, Kingston made important contributions to the US Navy during our Revolution. Now primarily a residential community, convenient to the south shore and resort Cape Cod communities on the Atlantic Ocean.
